

# RecycleBox.com

The Recycle Box is a low cost collection solution for all types of recyclables. It's available in a generous 32 & 44 gallon capacity and can be easily customized to fit your specific industry needs. It's designed to enhance any establishment and will help you meet your going green goals by increasing recycling rates at your facility. Recycle Boxes are very economical yet sturdy and flexible enough to be used at a wide variety of indoor & outdoor locations. We offer many standard graphics, as well as great custom designs for use at grocery stores, schools, offices, warehouses, malls, churches, golf courses, stadiums, hospitals, airports, zoos and many, many more.

Contact us now and we will be happy to create a custom design just for you, using your logos and colors. Minimum order quantity and art fee cost may apply.

Airports

Golf courses

Churches

Schools

Hospitals

Aquariums

Shopping Malls

Zoos

The recycle box is designed to maximize strength with minimal use of materials. The boxes fold flat for easy storage and transportation and can be assembled in minutes. All Recycle Boxes are 100% recyclable and made with a minimum 30% recycled content.
